IDENTITY OF DRIVER OF CAR WHICH HIT MRS. LONG LEARNED

FOUR HIGH SCHOOL BOYS AND TWO GRADE SCHOOL BOYS IN FORD CAR WHICH RAN DOWN AND BADLY INJURED MRS. J. F. LONG, LAST THURSDAY EVENING—BOYS TAKEN BEFORE JUVENILE JUDGE

Four High School boys and two grade school boys were in the Ford Automobile, which, last Thursday evening ran down and seriously injured Mrs. J. F. Long, age 60 years, in front of her home on south Locust street.

The boys in the car, which was driven by Olen Alexander, age 15, are:

Olen Alexander, age 15, a high school pupil.

Forest Riggs, age 14, a high school pupil.

Chester Crawley, age 15, a high school pupil.

Harold Haskett, age 15, a high school pupil.

Harry Parrish, a second ward grade pupil.

James Tobin, a second ward grade pupil.

The six boys, in a Ford car, owned by Alexander's father, had been to the High School building attending basketball practice, and were on their way to their homes in the south part of town, when the accident occurred.

Although the car struck and knocked down the aged woman, the boys did not stop but drove on south on Locust street and turned east on a street near the Vandalia station.

Mrs. Long suffered severe injuries and was taken to the Putnam County Hospital. Her condition still is serious.

Identity of the lads was learned through Mike Wolfe, a Greencastle barber. Harold Haskett, one of the boys in the car told Mr. Wolfe, who in turn told Asa Smith. The latter informed Mr. Long. From young Haskett, Mr. Long learned the identity of the other boys in the car and reported them to Marshall O'Hair. Officers questioned all of the boys. Tuesday evening and each confessed.

As the Alexander lad is only 15 years old the charge which has been filed against him is filed in the Juvenile court. The affidavit charges that while driving a motor vehicle he ran over Mrs. Long and that he did not stop to give his name, which, under the Indiana law constitutes a felony. Penalty for this offense is a sentence of from 1 to 2 years in prison.

Alexander is the son of Mr. and Mrs. Orville Alexander, who live on Ohio street. Alexander formerly was employed as a city fireman.

THANKSGIVING WEEK WILL BE DONATION TIME

GIFTS FOR THE PUTNAM COUNTY HOSPITAL WILL BE RECEIVED ALL OF NEXT WEEK—CANNED FRUITS AND VEGETABLES ARE MOST ACCEPTABLE

At the request of many, who desire to make gifts to the Putnam County Hospital, the hospital authorities have set Thanksgiving week—all next week at a time during which any who desire may make donations to the hospital.

At a former donation week, the week of the opening of the hospital, many most appropriate gifts were given to the hospital. These included much canned fruits and fresh vegetables. These are always most acceptable, especially the canned fruits, which are used for the diet of patients.

Miss Milburn, superintendent of the hospital stated Wednesday morning that donations of any kind would be most appreciated. Donations may be taken to the hospital any time during next week.

HOME COMING SERVICE

There will be an all day "Home Coming" at the Mt. Meridian M. E. Church, November 23. Home coming services will be held at 10:30 a. m., and 2:00 p. m. Dinner will be served in the church to all. Former pastors are cordially invited to be present. Mr. Jap. of DePauw University, will speak in the afternoon on "The Social and Religious Life" of the Chinese People. Rev. Kinsworthy of Spencer, Indiana, will preach in the morning. Rev. J. E. Cash of Greencastle and Rev. H. A. Sherrill, of Cloverdale, will also speak. A splendid musical program consisting of a male quartette, cornet solo, vocal solo and congregational singing is arranged. All former members and friends of the church are invited.

A. L. BEATTY, Pastor.

THUD OF THE BASKET BALL SOUNDS IN DEPAUW GYM

LARGE SQUAD OF TIGER NETMEN WORKING EACH EVENING—PROSPECTS FOR A STRONG FIVE APPEARS GOOD—OTHERS TO REPORT AFTER FOOTBALL SEASON CLOSSES

Bowman gymnasium re-echoes to the thud of basketball on hardwood. As Coach Morrison drives his court prospects at full speed toward early season form. The DePauw dribblers have been partaking of large doses of net-snapping science for the past ten days and now present a real fighting quintet for inspection.

Essentials and ground-work had been the by-word of coaches Morrison and Gipson until last evening when the first skirmish of the season was held. Morrison's original pick continues to maintain itself as the choice of the material although other candidates have shown real ability at the game.

With Steward and Ward holding down the forward berths, Wilson dropping them in from the pivot positions and Raisor and Puckett taking care of the guarding. Coach Morrison seems to have uncovered the nucleus of a highclass aggregation. Struck, Hirt, Roe and Nesbit, listed as the most promising material now playing football, will report for practice next Monday, when the time for the session will be changed to 4 o'clock. Present practice sessions begin at 7.

Three teams were selected to provide a little competition for Guy Morrison's first choices but were rarely able to penetrate the first string defense. The varsity piled up 41 points while the scrubs were accounting for 7 tallies.

DEPAUW MIRAGE WORK IS PROGRESSING RAPIDLY

The Mirage; DePauw's year book, is well under way and will be ready for publication before school closes in the Spring.

Fraternity and sorority pictures are almost entirely completed and together with football, track, baseball, and basketball pictures, which have all been taken, will be ready to ship to the engraver by the latter part of this month.

A most interesting new feature in this year's Mirage is a section entitled "College Life". Some ten or twelve pages will be devoted to this and it is to contain views of prominent alumni, faculty members, and students as they appear on the campus, at the games, and so forth.

Practically all the entrants have been submitted for the beauty section and that very keen contest will soon take place solving the problem of who the most beautiful coeds on the campus are.

Work on the book is progressing unusually rapidly this year under the very able direction of Mr. Glenn Funk Editor-in-chief, and a brilliant as well as unusual Mirage is expected.

HIGH SCHOOL PARENT-TEACHERS MEET TONIGHT

The Parent-Teachers Club of the High School will meet this evening at 7:30 o'clock at the High School building. An interesting program has been arranged and all parents and teachers are urged to be present.

Coming Back

ANNEXATION SUIT TRIALS ARE DELAYED

HEARING OF CASES IN WHICH PROPERTY OWNERS ARE OPPOSING CITY ORDINANCES WILL NOT BE HEARD UNTIL AFTER THE FIRST OF THE NEW YEAR

Suits against the city of Greencastle in which residents north, east, south and west of the city, the Monon and Pennsylvania railroads and the T. H. I. & E. traction company, are remonstrating against an ordinance passed by the city council the first of the year, annexing territory to the city, will probably not be heard until after the first of the new year, according to John W. Allee, city attorney.

Although a definite date for the hearing of the remonstrance has never been set, it was generally understood that it would be tried sometime in November before Special Judge Jere West, of Crawfordsville. However on account of the serious illness of Mrs. West, Judge West will be unable to hear the suit at the present time and it is probable that the remonstrances will not be given a hearing for several months yet.

FIFTY APPLY FOR BONUS AT LEGION HALL

MEMBERS OF GREENCASTLE POST ASSIST WORLD WAR VETERANS IN FILLING OUT BLANKS TO BE FORWARDED TO WAR DEPARTMENT AT TUESDAY NIGHT MEETING

Members of Greencastle Legion Post 58, assisted over fifty veterans of the World War in filling application blanks for adjusted compensation at the Legion Hall, Tuesday evening.

The number of ex-soldiers applying for the World War bonus with the assistance of the local Legion Post, was the greatest Tuesday evening that ever applied at any one time heretofore. Seven typists were kept busy until late, filling application blanks. By sending in their application for adjusted compensation before January 1, 1924, World War veterans have their insurance policies dated January 1, 1925. If they wait until after the first of the year, however, to send in their applications, their policies will be dated January 1, 1928 or three years later.

Approximately 300 applications have been filed at the local Legion Post according to Commander Raymond Smith. Commander Smith

however asserts that this number is only half of the number which the local post is eligible to fill. He further said that it is probable that two additional dates will be set in December, at which time the Local Post will assist the remaining veterans to fill their applications before the first of the year.

WABASH TEAM PREPARES FOR DEPAUW TILT

LITTLE GIANTS GO THROUGH LIGHT DRILL ON INGALLS FIELD—ANNUAL GRID BATTLE TO RING DOWN 1924 CURTAIN FOR THE TWO SCHOOLS

CRAWFORDSVILLE, Nov. 18.—With every regular in uniform Coach Vaughan dismissed his Wabash varsity football squad early Monday afternoon after keeping them on the field less than an hour.

Greeted by the first snow of the season Vaughan gave his regulars a short limbering up drill and then sent them to the showers. The varsity came through the Indiana game in fine shape and with the exception of minor bruises were O. K. Monday.

DePauw will be played Saturday at Greencastle and with their annual grid offering Wabash will close the 1924 season. Scanlon who did some fine work against the Crimson at Bloomington will again get into the lineup and may play two quarters of the DePauw game.

Scanlon is a sophomore and has shown a lot of ability as a heaver of forward passes. Benny Hobson who was shifted to a wing position against Indiana will probably continue on the right side of the line and no doubt will work with the forward wall in the final battle.

DePauw after experiencing a disastrous season is trying hard for a comeback and some good football can be expected to come out of the Tiger camp Saturday.

The game will be played on the new DePauw field which is located to the north of the old one. This field has seating accommodations for several thousand. Wabash will occupy the east side with DePauw rooters on the west.

Sunrise, 6:35. Sunset, 4:26. Rising temperature.

BANQUET FOR FARMERS TO BE HELD HERE

PUTNAM COUNTY FARM FEDERATION MEMBERS WILL HOLD ANNUAL EVENT IN THE COURT HOUSE LOBBY ON THE EVENING OF TUESDAY, DECEMBER 2—WILL MARK OPENING OF MEMBERSHIP DRIVE

The members of the Putnam County Farmers Federation will hold their annual banquet, on Tuesday evening, December 2, at 7 o'clock in the corridor of the Putnam county Court house.

Although the event will be much on the order of strictly a social affair, there will be several speakers of state wide reputation and an interesting event is assured.

Of course, there will be good eats and a jolly good time. Immediately following the annual banquet the members of the organization will start their annual membership drive.

"TUBBY" MOFFET ON TERRE HAUTE FIVE

TERRE HAUTE, Ind., Nov. 19.—The Terre Haute Sayers have organized for the basketball season. The team includes former college players as follows: Moffet, DePauw; Pike, Franklin; Burris, State Normal; F. Cox, Wabash; Frank Cox, Indiana; Jeffries and Phillips, both of Indiana University.

ANDREW DURHAM TO TALK IT OVER WITH HIS CONSTITUENTS

(Crawfordsville Journal)
State Senator Durham of Greencastle and Representative Lowe of Crawfordsville will meet with the citizens of Walnua township at 7:30 o'clock Friday evening in the Community House at Mace. Citizens of adjoining townships are also invited to be present in order that the citizens may become acquainted with the representatives in the state legislature and discuss legislation of local interest.

Those having charge of the meeting have extended a special invitation to the women to be present and it is expected that there will be a very large gathering. It is believed that the question of taxation will receive considerable attention at the meeting.

VARSIITY HITS RHINIES HARD AND WIN 26-6

DEPAUW TIGERS IN HARD WORK OUT FOR WABASH GAME NEXT SATURDAY—CLARK OUT WITH MINOR INJURY

DePauw freshman aggregation recent conquerors of Franklin, bore the brunt of an unmerciful varsity attack last evening when the yearlings emerged from a fierce twenty-five minute fray on the wrong end of a 26-6 score. The Rhinie marker came as a result of an intercepted pass near the varsity goal.

Coach Morrison's men are showing real talent at man-handling opposing lines at present and if the good work continues the Wabash linemen will be in for a session with a determined Tiger forward wall.

Nesbit steered the varsity aggregation from quarterback, while Clark was relieved by Bruhn at left end. Scales played one of the line positions for a short time during the absence of Fischer, who is being kept safe for Wabash.

Every man on the team is free from serious injury as a result of the two-weeks rest since the Purdue tussle, Clark however received a slight injury Monday night and may not be able to do the punting against the Cavemen. The kicking will be probably relegated to Sturtridge.

HIGH SCHOOL PUPILS PRESENT 4-ACT PLAY

The pupils of the Dramatics Class, under the direction of Miss Eleanor Theek of DePauw University, presented "Merely Mary Ann," a four-act play, at the High School Tuesday evening.

The story was of a music composer who is struggling with his art in a cheap boarding house in England, becomes entangled in a net of emotions and struggles to free himself. The cause of his trouble is Mary Ann, the servant girl in the house and one mixup brings another. At last, after misunderstandings begin to clear up, he finds that the man who wrote the popular song of the day is no other than his friend who has been fooling him and making him think that he had withdrawn from music circles.

The cast was as follows:

Lancelot	James Shaver
Peter	Howard Treat
Herr Brahms	Russell Lakin
Rev. Samuel Smede	John Call
Mrs. Leadbatter	Edith Leavitt
Rosie	Hoyland Martin
Lady Chelmer	Edith Leavitt
Caroline, Countess of Foxwell	
	Irene Cook
The Hon. Mrs. Fitzgeorge	
	Mildred Nicholas
Lady Glynn	Virginia Stoner
Lady Gladys Valentine	Esther Boyle

A five gallon jug, partly filled with white mule liquor was found in the old cemetery near the ball park in the southwest part of the city by D. B. Johnson, south Jackson street, Tuesday. Mr. Johnson notified Marshall Henry O'Hair, who took possession of the jug.

AUTO PLUNGES OVER A BANK; WOMAN KILLED

MRS. LAURA B. HARRIS, AGE 33 YEARS, SUFFERS BROKEN NECK WHEN CAR IS WRECKED—THREE OTHERS ARE INJURED

Mrs. Laura B. Harris, 33, a widow who lived on Ohio street, was killed and three others were injured, at near 11 o'clock Tuesday night, when a Ford automobile driven by Frank White, left the road and went over a steep embankment, on the Cloverdale road, about 8 miles south of Greencastle. Mrs. Harris suffered a broken neck and died, probably instantly.

The others who were injured are: Mrs. Charles Desbrow, 617 Main street, back injured.

Frank White, 906 Crown street, legs cut and bruised.

Joe Miller, south Greencastle, head badly cut, left wrist sprained.

Mrs. Harris, a widow, with four children, who lives with her mother, Mrs. Lydia Head, on Ohio street, together with her sister, Mrs. Charles Desbrow, with Frank White and Joe Miller, had driven to Cloverdale in an automobile owned by Fred James, who works at the Gas Co. Plant, and were on their way home at the time of the accident.

Evidently the driver of the car was driving at a fast speed, for he failed to make the turn at the newly constructed concrete bridge, at the Lockridge farm, 2 miles north of Cloverdale, and the car plunged over the side, and down the bank across the branch, landing on the front end and then turning over on its top. Persons who arrived soon after the accident said that the car cleared 50 feet in its plunge from the road to its landing place.

H. A. "Ott" Sherrill, of Cloverdale, drove along soon after the accident. He called Dr. Gray, who went to the scene and gave the injured first aid. Later they were brought to Greencastle, and Dr. W. R. Hutcheson dressed the injuries of the two men.

Coroner Jacob McCurry, also, was called and he took charge of the body of Mrs. Harris and brought it to his undertaking home here.

The funeral will be Thursday afternoon at 2:30 o'clock at the home of the mother on Ohio street.

STARTING ON A GREENCASTLE CENSUS OF '24

BOY SCOUTS, WORKING UNDER THE AUSPICES OF THE GREENCASTLE CHAMBER OF COMMERCE, BEGIN WORK WEDNESDAY AFTERNOON—TWENTY BOYS EXPECT TO COMPLETE TASK IN EIGHT WEEKS

Work at taking the Greencastle census of 1924 starts today.

The taking of a census to ascertain the true population of Greencastle is a project of the Greencastle Chamber of Commerce, which has secured the assistance of the Boy Scouts to do the field work in compiling the population figures.

Twenty boys will engage in the work and they expect with the aid of the public to have the task completed within 8 weeks.

Work started today in the second ward and this ward will be completed before work in any other ward is started. Greencastle people are urged to give the boys consideration and assist them in getting census cards properly and promptly filled out.

An affidavit has been filed in the Putnam Circuit court against Sam Hamm, for unlawfully and fraudulently issuing a check for \$11.80 payable to the Peanut Cluster Co., drawn on the First National Bank of Cloverdale, when it is alleged he had no funds in the bank. The affidavit was sworn by Louis Zaharakos, of Greencastle, proprietor of the Peanut Cluster Co.

ALL OUT OF SORTS?

So Was This Greencastle Woman Who Tells Her Experience

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that backache those headaches dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Greencastle case is one of many:

Mrs. Clyde Henry, 105 N. College St., says: I suffered a great deal with backache. I had a steady, dull aching across my back which made me miserable. My housework tired me easily and my kidneys acted irregularly. I used Doan's Pills from Mullins' Drug Store and they soon removed the trouble and put my kidneys in good order."

A Remarkable Lamp That Really Lights a Room

We offer to our customers the wonderful new DUPLEX-A-LITE LAMP. This is an entirely new principle in table lamp construction. It is so remarkable and so different that you cannot possibly know what it is like until you have tried it. That is why we are making an extraordinary free trial offer without the slightest obligation on your part.

LIGHT WHERE YOU WANT IT

This is the only lamp ever made which is guaranteed to throw a mellow radiance throughout the entire room, giving ample light for the whole family to read, write, sew or play. It is not necessary to sit close to the lamp to enjoy it.

NO GLARE

Although the DUPLEX-A-LITE LAMP lights the whole room so completely, you can look right at the silk shade without the slightest eye strain. The lamp bulb cannot shine into the eyes from below the shade, nor can it show through the shade. The shade is evenly lighted, something heretofore impossible.

BEAUTIFIES YOUR HOME

This lamp literally brings sunshine into the evening. It provides the charm and luxury of a beautiful lamp with the added comfort and convenience of ideal lighting.

INTRODUCTORY OFFER for a limited time only.

You may have the DUPLEX-A-LITE LAMP in your own home for two days without any obligation to buy. If you desire to keep it, pay only \$2.50 down and \$1.75 a month with your light bill until \$23.50 is paid. This special price is for the introductory period only. FIRST PATIENT IS ADMITTED TO RILEY HOSPITAL

SIMPLE CEREMONIES MARKED ADMISSION OF MARK NOBLE, A CRIPPLED 10-YEAR OLD DECATUR LAD—SIX OTHER CHILDREN ALSO ARE FIRST DAY PATIENTS

INDIANAPOLIS, Nov. 19.—Simple ceremonies marked the admission today of the first patients to be received for treatment in the James Whitcomb Riley hospital for children, erected by the people of Indiana in memory of the famed Hoosier poet for the cure of the state's crippled children.

Mark Noble, 10 years old, of Decatur, was the first child to be received at the hospital, his application for admission to the institution for treatment having been the first to be received by the hospital authorities. In addition to Mark, six other children were received and prepared for their stay at the hospital where they are to find relief and made ready to take their places beside their more fortunate brothers and sisters.

A proclamation issued yesterday by Governor Emmett F. Branch, formally announced that the institution was ready to begin the work of transformation of the state's crippled and undernourished children into normal, happy youth.

Opening of the Riley hospital for admission of patients will mark the passing of the twelve bed ward for orthopedic cases at the Robert W. Long hospital, where heroic efforts have been made by Indiana University officials to care for 10,000 crippled children of the state as best they could with the limited space at their command. For years the twelve bed ward there has been overcrowded and soon will be a thing of the past. As rapidly as possible, children now occupying beds in the Long Hospital ward will be transferred to the Riley hospital. Children will be admitted daily from now on limited only by the ability of the Riley Hospital staff to give them immediate treatment.

While the authorities of the hospital are receiving patients at the institution in Indianapolis, residents of several counties were actively engaged in campaigns designed to raise funds which will bring about completion of the hospital at the earliest possible date. Units of the institution which were opened today were the administration or fire unit; the first service wing, and the power house and heating plant. Other service wings and ward buildings and the convalescent section, financed by Indiana Rotary Clubs are to be added as quickly as funds are available.

Counties where campaigns are in progress or where arrangements for drivers are under way are LaGrange, Noble, Steuben, Dekalb, Clay, Morgan, Monroe, Putnam, Owen, Lawrence, Bartholomew, Brown, Miami, Shelby, Fountain and Fulton.

Funds are being raised through the sale of Riley bonds and efforts are being made now by the Riley Memorial Association which has been in charge of the raising funds and supervising the construction of the hospital, to increase the record that has been made, when one of every 125 residents of Indiana has subscribed to the hospital building fund.

Formal opening of the hospital took place October 7, the seventy-fifth anniversary of the birth of James Whitcomb Riley.

JUDGE TO NAME BOARD TO CANVAS SHERIFF'S VOTE

PETITION OF GILBERT PRICHARD DEFEATED CANDIDATE FOR SHERIFF, TO BE ACTED UPON SATURDAY—EACH PARTY WILL BE ALLOWED TO RECOMMEND A CANVASSING BOARD MEMBER

Judge James P. Hughes has announced that he will act Saturday on the petition of Gilbert Prichard, of Jefferson township, defeated candidate for sheriff at the recent election, who has asked for a recount of the ballots.

Prichard upon the face of the returns was defeated by 123 votes. Judge Hughes probably will allow each Mr. Prichard and Sheriff Sears to recommend a member of the canvassing board. Judge Hughes will then name the third member.

The county clerk by virtue of his office is another member of the board. It is probable that the count of the vote will start Monday morning. The

law provides that after the board is once in session it must complete the canvass of the vote before it adjourns. The entire cost of the canvass must be born by Mr. Prichard.

LENIENCY IN HARRIS CASE IS REFUSED

BAINBRIDGE MAN, FINED \$100 AND SENTENCED TO SERVE 60 DAYS ON STATE FARM, PRESENTS PETITION SIGNED BY 267—JUDGE HUGHES REFUSES TO SUSPEND SENTENCE

Ben Harris, of near Bainbridge, who several days ago was fined \$100 and sentenced to serve 60 days on the State Farm, by Judge Hughes, for assaulting Milton Brown, presented Judge Hughes with a petition signed by 267 persons, Wednesday morning, which asked that the penal farm sentence be suspended.

When found guilty by Judge Hughes, Harris was allowed several days to go home and arrange his business affairs, before starting to serve his farm sentence.

He was ordered to report to the Judge Wednesday morning to start to serve his sentence. And when he appeared Tuesday morning he, through his attorney, presented the petition.

In refusing clemency Judge Hughes stated that several persons who had signed the petition had come to him and told him that they had signed it through fear and did not believe Harris should be shown clemency.

Daddy's Evening Fairy Tale

A BIRTHDAY GIFT

"I must tell you this evening," said Daddy, "the story of a little boy named Jerry."

"He was three years old. It was his birthday. And in honor of the day his mother was giving him a party."

"His brother Jimmie was almost as excited about it as he was."

"There were to be some boys and girls at his party—all older than he was, but he quite liked that."

"He was not a baby. He felt quite old."

"In fact he felt almost as old as Jimmie, who was really several years older."

"He was given a handsome, shiny, black toy cat, decorated with red, for a birthday present."

"The cat had an apron which was edged with red and had a little red pocket handkerchief in the pocket, though what a toy cat would do with a pocket handkerchief I'm sure I don't know!"

"But, anyway, it added greatly to the cat's appearance."

"Then Jerry was given a splendid fire engine and a hook-and-ladder with a little driver who sat in front. Oh, it was a splendid present, and both could go so fast—just as a fire engine and hook-and-ladder should go, of course."

"There must never be any delays when there is a fire. Even a toy fire department knew that much."

"There was another little driver for the fire engine, too."

"They had a splendid party, with cake and ice cream and candies upon the cake."

"They played games and they enjoyed themselves immensely."

"But the birthday gift that Jerry liked the best of all was one you would never, never think of guessing, so I hardly think it is worth your while to guess."

"Still you may try."

"A real, live cat," said Nancy.

"A dog," said Nick.

Daddy shook his head at both guesses.

"A kite," said Nancy.

"A toy automobile," said Nick.

"Not a kite," said Daddy, "and not a toy automobile for this birthday, as his brother Jimmie had been given one on his birthday and they shared all their toys."

"Guess again! But I don't believe you'll guess right!"

"A saxophone," said Nancy.

"No, hardly that," said Daddy.

"Well, I was trying to think of something different," said Nancy.

"I see," smiled Daddy.

"A turtle," said Nick.

"No," said Daddy.

"A set of blocks," suggested Nancy.

"No," said Daddy.

"A train!" shouted Nick.

"No!" shouted Daddy in return.

"A boat," said Nancy.

"No," said Daddy.

"An express cart," said Nick.

"No," said Daddy.

"Marbles," said Nancy.

"No," said Daddy.

"A rabbit," said Nick.

"No," said Daddy.

"Then I give up," said Nancy.

"So do I," said Nick.

"He said that the birthday gift he liked best of all, Daddy told them, 'was a new tooth which just made its appearance on that day.'

"Do you wonder I said I didn't think you'd be able to guess? But he said it was his favorite birthday present."

"No wonder we couldn't guess," said Nancy.

"No wonder," agreed Nick.

New High Gasoline Consumption Record

THE Bureau of Mines (Washington, D.C.) places the domestic consumption of gasoline for August, 1924, at 819,467,892 gallons, an increase over July consumption of 22,001,302 gallons and the highest monthly consumption of gasoline ever reached in the United States.

Notwithstanding this unusual demand, the Standard Oil Company (Indiana) has been able to keep the motorist of the Middle West constantly supplied with gasoline. This is the direct result of strict economy in production and the uninterrupted operation of a modern system of distribution.

The new high gasoline consumption record of August tells of hundreds of small business organizations made efficient by means of the automobile and an abundance of standard quality gasoline. It tells of thousands of families who have enjoyed healthful outings at minimum cost. It tells of hundreds of thousands of city children benefited by country air, because motor transportation carried them into open spaces at a trifling charge.

Giving people what they want, at a price they easily can afford to pay, is in itself a valuable service. This service is rendered to society by the Standard Oil Company (Indiana).

Few of the hundreds of thousands of people who profit daily by the abundance and the wide distribution of gasoline, consider the intricate industrial problems solved before this service could be rendered. They are apt to think of gasoline as yielded freely by nature; a generous, unceasing gift to man.

On the contrary, no matter how freely crude oil is produced by nature, without the aid of science it does not yield the tremendous quantities of gasoline needed to supply the demand.

The Standard Oil Company (Indiana) by originating processes which vastly increase the percentage of gasoline recovered from crude oil, serves mankind by helping to keep the supply equal to the demand. By devising a comprehensive distribution system and maintaining it in the face of every obstacle, this Company is able to make gasoline available to millions who could not afford to have the fuel shipped to them individually. Gasoline is as accessible to the farmers of the Middle West as it is to the city dweller.

CHOICE GOOD THINGS

For a nice occasion nothing could be more appealing to the appetite than—

Santa Dalia Chicken Salad.—Scald round, perfect tomatoes, skin and hollow them deeply. Prepare chicken salad as usual, adding chopped

button mushrooms, chopped green pepper and chopped pimento, to color well. Moisten with mayonnaise dressing. Fill the tomatoes which have been rubbed well on the inside with salad dressing. Place on lettuce leaves and garnish with a circle of halved, stuffed olives; surround these with a second circle of thinly sliced cucumber pickle and dot here and there with flecks of chopped pickled beet.

Molasses Dumplings.—Take pieces of dough from the bread bowl, adding a little extra shortening to each piece as it is made into balls, and place to rise in a deep dripping pan. Meanwhile cook together for a few moments a cupful of water, a tablespoonful of butter, a cupful of molasses and a tablespoonful of sugar. When the dumplings are light, pour this sauce over them and bake in a moderate oven. Serve with the sauce about each dumpling for dessert.

Providence Punch.—Into the bottom of a tall crystal tumbler drop two tablespoonfuls of orange ice, over this any combination of fruit and salad, using two tablespoonfuls; it may be of canned peaches, pears and pineapple in equal proportions, marinating them in sugar sirup for an hour; then two tablespoonfuls of crushed ice, next a layer of fresh strawberries, or raspberries sugared slightly, or maraschino cherries, cut into pieces, then squeeze lemon juice over and fill the glass with charged water, care being taken not to disturb the rainbow effect.

Paprika Schnitzel.—Select small veal steaks, allowing one for each person, dip into seasoned flour and saute in butter. Mix together a teaspoonful of paprika and a tablespoonful of flour, a cupful and one-half of sour cream and one-half cupful of stock or water. Strain over the meat and simmer very slowly on the back of the stove for 15 minutes. Serve garnished with fried or boiled noodles.

Berlin's War on Crime

The post-war wave of crime has been as much a problem in Germany as American cities. To combat it in Berlin a special telephone device has been put in use. Whenever anyone is in need of the police he calls central, says "emergency call," and gives his address. A motorcycle or auto patrol starts at once. The newest development involves the use of a phonograph with a record of the police-call phrase. This is connected electrically to doors and windows, so that if a marauder forces an entrance, an arrangement of levers takes down the receiver. The phonograph, simultaneously started, repeats the call into the telephone, and keeps repeating it until stopped by the operator at central.
